The days have passed,
the years gone by.
We've shared the moments;
laughed the laughs
and cried the tears.
As we look back through the years,
images of special times that we've shared
come to mind.
Even as we cling to our memories,
we realize that the time has come
to grow up and go on.
So we must move toward
the day of our graduation.
Although graduation marks the end
of our high school years,
it doesn't have to mean
the separation of our class.
We have all chosen different paths,
each leading in a different direction.
We will physically be separated . . .
Yet we will always be united,
bound by our thoughts and memories of H.H.S.

The 1989-90 Haysi

Our marching band started the year with a roar, receiving the McDonald's Best In Class Trophy at Wytheville and Division I Superior Rating at Wise and Powell Valley competitions (The Superior Rating at Wise was a historic first for Haysi). Entering the Virginia State Marching Band Competition for the first time, the band proudly represented Haysi and gave their best performance of the year. Janet Edwards and Jess Willis were recognized as being nominated to the McDonald's All-American Band. Haysi and Sandlick students were also entertained with indoor performances of the marching band.

Student leadership was a key factor in this year's sucess: the section leaders worked diligently; the marching sessions drilled the basics into everyone; the elementary students showed that they were as good as everyone else; and everyone pushed together to perform at their very best. Five students, Tonya Burnett, Shane Church, Scott Cox, Cindy Owens, and Jess Willis, studied for a week this summer in Wisconsin under George Parks, learning marching and leadership skills. Band camp drilled the music and the show into the band students, making them into a performing unit. Practice and hard work provided the rest, resulting in a truly superior band. Many more individual achievements are expected again next spring.

1989-90 H.H.S. Choir

The Concert Choir has grown in size to 53 singing members. In the Spring of 1989, fifteen Choir members got to go to Canada to perform and sightsee. This Fall the Choir has performed for the Kiwanis Club, the Nursing Home, the lighting of the Christmas Tree, a Christmas Concert with the Band and for the High School and Elementary School. Spring will find the Choir touring the various schools around the area and giving several performances. Back by popular demand, the Show Choir plans to entertain audiences in the Spring of 1990.

Forensics

Haysi High has a long history of successful participation in the Virginia High School League's Forensic competition. Competition takes place in seven categories: spelling; boys and girls prose reading; boys and girls poetry reading; boys and girls extemporaneous speaking; boys and girls original oratory; humorous dramatic interpretation; and serious dramatic interpretation.

The HHS forensics team was chosen in an intramural competition conducted by the English Department in late November, 1989. Participation was open to students in grades eight through twelve. Response was excellent. All eleven team positions were filled and alternates were named.

The team will compete in the Black Diamond District meet at SVCC in February. Students who place in the top three in each category will advance to the Region D meet to be held at CVC in early March, 1990. In addition to recognition of individual achievement team trophies are awarded at each level.

The 1989-90 season was a very successful one for the J.V. Girls Basketball team. Their record was 15-3, which made them the regular season J.V. champions for the district. Coach Owens attributed the teams success to teamwork and cooperation. He looks forward to next years season, when most of his players will be returning.

Softball

The girls' softball team had a prosperous year, finishing third in the district. With only one senior, returning starter Cindy O'quinn, the whole team rallied to play exceptional softball.

Coach Darrol Poston stated with much enthusiasm that the upcoming year will be Haysi's year to shine. The new year brings back eight extraordinary starters. This new year will also see the addition of some very enthusiastic "rookies".

The night was April 22, 1989. It was a night filled with magic and mystery. Our gym was transformed as if by magic into a beautiful, make-believe "Midnight Masquerade". Throughout the mystical evening, couples twirled across the dance floor, winding their way among the masks and balloons.

Too many lives are lost in alcohol related accidents. The S.A.D.D. organization's object is to make people aware of the problem and encourage young people to take positive action to stop the slaughter.

These young people realize that drinking and driving isn't worth the risk of losing your life or taking someone elses.

The students who join S.A.D.D. sign a contract stating that they will not drink and drive. Anyone who has the strength to live up to such an agreement has shown themselves to be responsible adults.

Mrs Charles,

Well, it's been a good year. I'm going to miss this place when I leave, and believe it or not I'll miss you too! It's hard to believe that this disorganized, undisciplined child is finally ready to graduate! Yes, you are harder on me than you EMPLOYEES are on anyone else but I understand, I deserve it. You're more like my mother than my teacher maybe thats why we argue so much. I love you!

HAYSI, VIRGINIA

Mrs. Chaves,
Well lady what can I say?
We've had both many bad & good disagreements which no doubt has kept our friendship growing or maybe at times falling. But as you would probably say, "Growth has obstacles!" I want you to know at times I feel as if I could strangle you, but there are times you deserve Hugs & thanks. Just rem. work & make your photographers thrive, for the best; which means your yelling encouragement!! also just a little helpful advice theres a whole journalism class, not just two, And photographers most important. because without pictures, no annual!! Your friendship is grand, & I hope you & I both realize this. As time goes by I hope you can come to me for advice dealing with photography. Lots of Luck & Dreams

Love
